ANSWER 1

0. Produce a HTA to buy a laptop via online shopping website
1. Open a web browser and go to an online shopping website.
2. Search for laptops using the website's search bar or browse through the laptops available on the website.
3. Select the laptop that you want to buy by clicking on its product page.
 - 3.1 Search similar laptop if it is not available.
4. Review the specifications and details of the laptop to ensure that it meets your needs.
5. Choose any optional features or accessories that you would like to add to your purchase, such as an extended warranty or carrying case.
6. Add the laptop to your shopping cart by clicking the "Add to Cart" button.
7. Review the items in your shopping cart and confirm that the laptop you want to buy is included.
8. Click the "Checkout" button to proceed to the payment and shipping information page.
9. Enter your billing and shipping information, and choose a payment method.
10. Review your order details and ensure that everything is correct.
11. Click the "Place Order" button to submit your order and complete the purchase.
12. Wait for the laptop to be delivered to your specified shipping address.

PLAN 0

If the user is new before 7 ask him to register or login else he can do 6

PLAN 3

Do 3.1 if 2 is not done

ANSWER 2

0. Write down the Textual HTA of Whatsapp Video Call for an elderly person.
1. Open WhatsApp on your smartphone or tablet.
2. If you are not already logged in, enter your phone number and follow the prompts to log in.
 - 2.1 Pick a username and profile for your number.
3. Once you are logged in, you will see a list of your contacts.
4. Find the person you want to call and tap on their name.
5. On their contact page, tap the video camera icon in the top right corner.

6. This will initiate a video call. The person you are calling will receive a notification and can answer the call by tapping the video camera icon on their end.
7. Once the call is connected, you will see a live video feed of the person you are calling. You can use the microphone and camera on your device to communicate with them.
8. When you are finished with the call, tap the red hang up button to end the call.

PLAN 0
